DISTRICT OF MASSACHUSETTS

LISA KOSS,

Plaintiff,

v.

PALMER WATER DEPARTMENT,  
PALMER FIRE DISTRICT NO. 1 AND  
PALMER WATER DISTRICT NO. 1<sup>(1)</sup>,  
WILLIAM COLE and CHARLES M.  
CALLAHAN, III,

Defendants.

CIVIL ACTION NO. 3:12-cv-30170-MAP

**DEFENDANTS' MOTION FOR RECONSIDERATION OF MAGISTRATE'S ORDER  
ON DEFENDANTS' MOTION FOR RULE 35 PSYCHOLOGICAL EXAMINATION**

Defendants, Palmer Water Department, Palmer Fire District No. 1 and Palmer Water District No. 1, William Cole, and Charles M. Callahan, III ("Defendants"), respectfully request that the Court reconsider Magistrate Judge Kenneth P. Neiman's February 20, 2014 decision to deny Defendant's Motion for Rule 35 Psychological Examination on the grounds that the Court's Order is clearly erroneous and/or contrary to law because: (1) this motion was filed timely; and (2) Defendants have shown "good cause" why such examination is necessary.

*DENIED. Judge Neiman's resolution of Defendant's motion was well supported. It was certainly neither clearly erroneous nor contrary to law.  
So ordered. Michael C. Fournier USNT 3-13-14*
